PEARSON

Answer ALL questions. Write your answers in the space provided.

1

Reeta is 45 years old. She has recently been diagnosed with a mental illness. MIND is a national voluntary organisation which supports people with mental illness.

Her husband Anish has recently left work to become her full time carer. Carers UK is a national voluntary organisation which supports people who provide care.

(a) Describe how a national voluntary organisation, such as MIND, can be of assistance to people like Reeta who have mental illness, apart from providing care.
