WEST PARK TO MAKE WAY FOR MULTI-STOREY

There are plans to close the old West Park and replace it with a multi-storey car park in the town centre. Local residents strongly oppose the plan and are looking for support in persuading the council to reconsider, as they do not want to lose an important historical site. The Resident Association has asked people who live in the area to send proposals to the council giving their opinion of the current plans and explaining why the park should be saved. They should also persuade the council to reconsider and should suggest another place for the car park.

Write a proposal to the council.

Write about 180 words.
