

Component 2 – Biology : Environment, evolution and inheritance

Question	Answers	Additional Guidance	Mark
1 (a)	producer		1
	photosynthesis		1
(b)	dandelion → rabbit → fox		1
2	Large ears		1
3 (a)	Warm and moist conditions		1
(b)	carbon dioxide		1
4	desert area plants → water	do not award mark if more than one line from a box	1
	sea birds → territory		1
	trees → light		1
5 (a)	August	accept 'go up in the autumn/winter'	1
(b)	100		1
(c)	The mice numbers increase after August		1
6	air		1
	acid		1
7 (a)	E		1
(b)	evolution		1
8 (a)	short hair and white colour	both needed for the mark	1
(b)	chromosomes		1
	nucleus		1
9	runner		1
Total			20
