Q. 3 Explain with reference to the context any ONE of the following stanzas in 70 – 100 words:

- a. Of an organ that down in an alley merrily plays,
Two children, all alone and no one by,
Holding their tattered frocks, thro' an airy maze
Of motion lightly threaded with nimble feet
Dance sedately; face to face they gaze,
Their eyes shining; grave with a perfect pleasure.
- b. And out again I curve and flow
To join the brimming river,
For men may come and men may go,
But I go on for ever.

Q. 4 The invention of the telescope led to enormous progress in the study of heavens and is chiefly responsible for our modern ideas of the universe. Elaborate.

Q. 5 The play 'Progress' expresses grave concern over unbridled scientific and technical advancements that jeopardize the very existence of humanity. Discuss.

Q. 6 Give your views on the justice of Cowper's attack upon city life.
