## Task 1

### Information

You read these views on a website called 'Do I love where I live?'

The screenshot shows a web browser window with the address bar containing <https://www.doilovewhereilive.web>. The browser interface includes a menu bar (File, Edit, View, Favourites, Tools, Help), a star icon for bookmarks, and a search icon. The main content area displays two user profiles:

**Caitlin**  
I love living in the city, even though it can be very noisy. Buses and trains run till late. There is a huge range of shops, cinemas and restaurants. For sports lovers there is lots to get involved in. There's a buzz about city living, although it can be very crowded.

**Andrzej**  
I love living by the sea. The sea front has many amusement arcades. We have lots of shops and cafés. Getting around is easy on my bike. However, some places shut down in winter and it can be cold and windy.

Accompanying images include a cityscape with cranes and buildings for Caitlin, and a pier with a Ferris wheel for Andrzej. The browser's status bar at the bottom shows a magnification level of 100%.

### Writing Task

Using your own ideas, write an article for the website 'Do I love where I live?'

In your article, you should include your detailed views on:

- whether you like where you live or not
- what there is to do there
- how the place where you live could be improved.

Use sentences and write in Standard English.

**Begin your article on the next page.**
