advancing learning, changing lives

**Read Text D1 and answer questions 1 to 5.**

**Text D1**

Phil visits a Health and Safety display in his local library.

**Make sure your home is safe from fire**

You can protect your home from fire with:

**Smoke Alarms**

Smoke alarms are the most effective way of protecting your home. You need one for every floor in your home. Test the alarms every 4 weeks and change the batteries once a year.

Prices start at £6.00

**Fire Blankets**

A fire blanket is most useful in a kitchen. If fat in a frying pan bursts into flames, quickly cover the pan with the fire blanket.

Prices start at £8.00

**Fire Extinguishers**

There are many types of fire extinguishers. Check with the shop which one would be best for your home. Make sure everyone in your home knows how to use it.

Prices start at £13.00

For more information about safety in the home pick up one of our many free leaflets in the library.
