Supermarket Loyalty Cards

Many supermarkets offer loyalty cards to their customers.

A loyalty card is free and a good way to get something back. Each time you shop with that supermarket you will earn points for the amount of money you have spent.

Some supermarkets will send you vouchers for the number of points you have earned. You can use these for money off your weekly shopping or you can save them up to buy something special. They can be used in the store or online.

To get a loyalty card, fill in an application form in store or phone 907644367. Your card will be sent to you in the post. You can also apply online.

If you want more information, speak to a member of the customer service team.
