### Walking for Fun

Walking is one of the most popular outdoor leisure activities in the UK. It is enjoyable and good for your health.

Walk with friends or family or join one of the many walking clubs across the country.

Many people enjoy a short walk in a park, by a river or along the seafront. Other people may like a longer walk along a canal path or out in the countryside. The more adventurous walkers will head for the hills or mountains.

Walking can be enjoyed in both summer and winter but be prepared for all weather. Always take a waterproof with you and wear comfortable clothing and suitable footwear.

Don't wear denim jeans as these will be very uncomfortable to wear if they get wet. Carry a small rucksack and remember to take some refreshments with you.

## **Look after the Countryside!**

Enjoy walking in the countryside,  
but take good care not to spoil or damage it.

### **Points to remember**

1. Follow paths and local signs.
2. Use gates or stiles.  
Don't climb over walls, fences and hedges as this could damage them and may risk farm animals getting out.
3. Leave gates as you find them.  
A farmer usually closes gates to stop animals getting out but sometimes will leave them open for animals to get to food and water.
4. Keep dogs under control.  
Make sure your dog does not cause a danger to farm animals, wildlife or other people. Always clear up after your dog.
5. Take your litter home.  
Litter and leftover food not only spoils the beauty of the countryside but can also be dangerous to wildlife and farm animals.
