### Text C1

You read this leaflet about a famous house.

## Beltman: House and Grounds

### The House

The house is exactly as the famous poet and novelist Richard Copeling left it 70 years ago. There are rugs from his time in the East, a study full of books and pictures of characters from his books on the walls. His children's old toys are in the nursery and his old car is still in the garage.

### The Grounds

The grounds contain an orchard, herb gardens and a pond. There are fields of wild flowers surrounding the old stone house. Join us for guided walks through the orchard.

### The Watermill

Next to the river is an ancient watermill where flour for bread is still made.

### The Gift Shop

Here you can buy souvenirs and second-hand Copeling books. You can also buy flour made in the watermill.

### The Restaurant

Enjoy lunch or light refreshments in our self-service restaurant.
