## 5331 - January 2008

## NOTES FOR CENTRES ON CONSTRUCTION OF DATA FILES

These notes are to be read in conjunction with the relevant sections of the Instructions for the Conduct of Examination (ICE) for January 2008.

IMPORTANT NOTE: If it is necessary to reconstruct files using these notes, a printout of the files produced MUST be included with the scripts for the examiner.

Please also note: Centres should check in both the OFFICE 97 and the NON-OFFICE 97 folders for file formats which are consistent with the Centre system.

The following data files must be stored in each candidate's secure user area:

Spreadsheet file:
BOOKINGS07
