The Moderator appointed by OCR will require a completed copy of this Skills Assessment Record for each of the candidates whose work is required for moderation. For each candidate you should include with this Skills Assessment Record

- the Research Study and candidate cover sheet
- the Data Task and candidate cover sheet.

Centres will need to keep adequate records of the attainment of all of their candidates for GCSE Gateway Biology, and may use this form as a means of keeping records. However, centres are free to devise and develop their own record-keeping systems, providing that such a system will (if required by OCR for moderation purposes) allow each candidate's performance to be verified by a Moderator.
