May 2003

Dear Sir/Madam

1504 – GCSE Business and Communication Systems: First Examination June 2003

Further to recent discussions between colleagues at AQA, Edexcel and OCR, it has been agreed to remove the *prohibition* between GCSE Business and Communication Systems and GCSE Information Communication Technology.

Please ensure that this information reaches the course tutor(s) for this subject.

Many thanks for your co-operation in this matter and apologies for the inconvenience caused.

Yours faithfully
