

General Certificate of Secondary Education
June 2010

Design and Technology: 45401/PM **Electronic Products**

Unit 1

Preliminary Material

Instructions

- This Preliminary Material will be given to you on or after 1 March 2010.
- The context for the question in Section A of the question paper is given below.
- Between 1 March and the examination date you will have the opportunity to research the context with the guidance of your teacher.
- **No preliminary material or any associated material may be taken into the examination room.**

Context: A variety of products require fluid level monitoring. Typical of these are car windscreen washer bottles or fuel levels.
