

PREPARATION SHEET FOR THE 2004 EXAMINATION 3545/55PM

DESIGN AND TECHNOLOGY: RESISTANT MATERIALS TECHNOLOGY

(For the Foundation and Higher Tiers of the
Short and Full Courses)

Instructions

This Preparation Sheet will be given to you on or after 1 March 2004.

- The context for **some** of the examination questions is given below and further information is given overleaf.
- Between March and the examination date you will have the opportunity to research the context with the guidance of your teacher.
- **No Preparation Sheets or any associated material may be taken into the examination room.**
- You **must** take some colouring pencils into the examination.

THEME: THE GARDEN

RESEARCH CONTEXT: GARDEN EQUIPMENT

Gardening is a popular leisure time hobby, enjoyed by a wide variety of people.

Make a study of the following:

- Gardening furniture, tools and equipment;
- Methods of transporting gardening tools and equipment around the garden.

Use the information overleaf to guide you in your research.

Higher tier candidates should *also* consider the needs of the frail and elderly.

Short course candidates **will not** be asked questions relating to metal processes.

3545/55PM

For copyright reasons it has not been possible to include the back page (which contains pictures/ sketches of the theme) of this Preparation Sheet. The full copy of the paper can be obtained from Centre Services at Devas Street, Manchester. □
