Specimen Papers and Mark Schemes

Edexcel GCSE
Design & Technology: Graphic Products
Short course (3972)

For First Examination Summer 2003

Edexcel is one of the leading examining and awarding bodies in the UK and throughout the world. We provide a wide range of qualifications including academic, vocational, occupational and specific programmes for employers.

Through a network of UK and overseas offices, Edexcel's centres receive the support they need to help them deliver their education and training programmes to learners.

For further information please call our Customer Response Centre on 0870 240 9800, or visit our website at www.edexcel.org.uk

- 1. The table below shows either some tools or components or equipment.
 - (a) Complete the table by:
 - (i) naming each tool or component or equipment;
 - (ii) describing its use.

The first is done for you.

TOOL / COMPONENT / EQUIPMENT	NAME	DESCRIPTION
	Hot melt glue gun	Tool for gluing rigid materials
		(6)

(b)	Give two safety procedures which must be followed when using the hot melt glue gun.
	1
	2

(2)

Leave blank

(c) Name the most suitable adhesive for the following uses.

Use	Suitable Adhesive
Gluing paper on to paper	
Gluing a photograph on to card (allowing for repositioning)	
Gluing corrugated card on to foam board	

(3)
