INFORMATION FOR CENTRES

Theme: Domestic Bedside Lighting.

Page 2 of this sheet includes further guidance on the above theme to assist teachers in the preparation of their candidates for the product analysis question in the examination.

This theme sheet consists of 2 printed pages.

Product Analysis Theme for 2005 : Domestic Bedside Lighting.

Papers 3 and 4 will contain a compulsory product analysis question set on the theme: Domestic Bedside Lighting.

This question will be assessed against the skills outlined in Section 5.2.3 of the specification subject content.

To assist teachers in the preparation of their candidates for this examination it is suggested that the following aspects of Domestic Bedside Lighting are considered:-

- materials;
- construction;
- appearance;
- manufacturing methods;
- function and fitness for purpose;
- consumer preferences;
- assembly;
- electrical attachments.
