Product Analysis Theme for 2009: Bread Products

Papers 3 and 4 will contain a compulsory analysis question on the theme: Bread Products.

This question will be assessed against skills outlined in Section 5.2.3 of the specification subject content.

To assist teachers in the preparation of their candidates for this examination it is suggested that the following aspects of Bread Products are considered:

- Market trends in bread products from around the world
- The choice and function of ingredients and components used in the manufacture of bread products
- The process of bread making
- Benefits and limitations of bread products and ingredients.
