Session 1	Organisational instructions	Must say	Say in your own words
<p><b>IMPORTANT</b></p> <p>180 minutes are available for session 1.</p> <p>The times given in this column are suggestions and may be adapted to suit Centre needs.</p>	<p><b>Before students enter the room.</b></p> <p>Arrange room for students to sit in groups of three/four.</p> <p>Lay out inspiration/handling collection and printed resources. These should be available for both sessions.</p> <p>Place a candidate answer booklet in each workspace.</p> <p>A wide range of modelling/prototyping materials, tools and equipment should be available to students.</p> <p><b>When candidates enter the room.</b></p> <p>Students sit in working groups of 3 or 4 students. Groups to be decided by the teacher.</p> <p><b>Rules of the Innovation Challenge.</b></p>	<p><i>Over the next two sessions you are going to be involved in a D&amp;T activity called the Innovation Challenge.</i></p> <p><i>Session 1 – Designing</i></p> <p><i>Session 2 – Making</i></p> <p><i>You are doing this challenge to show just how good you are at coming up with new and creative ideas.</i></p> <p><i>By the end of the challenge, your sketches, notes, models and prototypes should show that your ideas would work.</i></p>	<p>It is important that you try your best and feel that you can try any idea out – however crazy or impossible it might seem to start with. Be creative.</p>

Session 1	Organisational instructions	Must say	Say in your own words
		<p><i>You can develop your ideas in whatever ways you think best – through sketching, writing or making models.</i></p> <p><i>Use whatever ways that will help show your most creative work.</i></p> <p><i>The examination board has given you each an answer booklet to record your progress throughout the challenge.</i></p> <p><i>Although you are not working in an examination hall you must still treat this activity as an examination. You should not talk unless you are told to do so by a member of staff. Part of the examination requires you to explain your work and receive comments from others in your work group. I will explain before this activity takes place.</i></p> <p><i>Teaching staff are here to monitor health and safety and to organise the running of the challenge. Staff are not allowed to give advice or guidance about your design or making activity. However, you are allowed to ask for clarification if you are not sure about a task.</i></p> <p><i>I will explain everything as we move through the two sessions.</i></p> <p><i>Please remember that the examiner will only see the workbook.</i></p> <p><i>It is important that evidence of all thinking, designing, modelling and prototyping (using photographs), is included in the workbook.</i></p>	

Session 1	Organisational instructions	Must say	Say in your own words
	<p><b>Students fill in the following information on page 1 of the answer booklet:</b></p> <p>Candidate name, candidate number and centre number. Fill in the date of session 1 and session 2.</p>	<p><i>There will be times when you will be asked to draw or write particular things in your booklet.</i></p> <p><i>We will be taking photographs of your models as they develop. These photos will be stuck in your booklet.</i></p> <p><i>You must develop your own ideas during these sessions. The 'Reflect and Record' activity will allow you to take advice and suggestions from the others in your group. You will be able to modify your design and incorporate their feedback.</i></p> <p><i>You must complete your own booklet and your own prototype. You must not move forward in the workbook until instructed to do so. You are allowed to return to previously completed sections if you wish to do so.</i></p> <p><i>Fill in the following details on page 1 of the answer booklet:</i></p> <p><i>Candidate name</i>  <i>Candidate number</i>  <i>Centre number</i>  <i>Date of session 1</i>  <i>Date of session 2.</i></p>	

Session 1	Organisational instructions	Must say	Say in your own words
5 minutes	<p><b>Start the Innovation Challenge.</b></p> <p>Introduction to the context. Read through the challenge with students. (Challenges are outlined on the insert sheet in the workbook).</p>	<p><i>You are now going to start the challenge.</i></p> <p><i>If at any time you don't understand what I tell you, or what you have to do, then ask.</i></p> <p><i>There are four challenges outlined on the insert provided.</i></p> <p><i>I will now read through the situation and challenges.</i></p> <p><i>(Read the challenge and tasks to students.)</i></p>	<p>Clarify Insert.</p>
15 minutes	<p><b>The inspiration and handling collection.</b></p> <p>Introduce the handling collection/resources. Allow a few minutes for students to have a look at, handle and talk about the collection.</p> <p>Introduce the inspirational collection. Encourage students to examine the two collections and ask questions about them.</p>	<p><i>The inspirational and handling collection.</i></p> <p><i>At the end of this 15 minute session you must have selected the challenge that you will complete.</i></p> <p><i>You are allowed to ask questions about any of the items that I am about to show you. How could these items aid your design?</i></p> <p><i>Whilst looking at and handling the items you should think about the four challenges.</i></p> <p><i>Write the title of the challenge you select on page 1 of your answer booklet</i></p>	<p>Handling Collection – Talk about the 'wow factor' that makes these products interesting, creative etc.</p> <p>Inspirational Collection – Explain why these items have been selected, their inspirational features or use of material.</p>

Session 1	Organisational instructions	Must say	Say in your own words
<b>The following section should be done in box 1 of the answer booklet</b>			
<b>6 minutes</b>	<p>Box 1. Initial Thoughts.</p> <p>Allow 6 minutes with a reminder after 5 minutes.</p>	<p><i>Remember, from now on you are creating your own ideas. You should not talk.</i></p> <p><i>Open your answer booklet and find box 1.</i></p> <p><i>The first thing we would like you to do is to put some of your first thoughts down on paper.</i></p> <p><i>Remember, we want you to be as creative as possible, so sketch and add notes of any ideas you have, even if they seem a bit risky or outrageous at this stage.</i></p> <p><i>We really want you to feel able to 'let your mind go out to play'.</i></p> <p><i>In this box put down your initial thoughts. You have 6 minutes, so work quickly. Try and remain focused.</i></p>	
<b>The following section should be done in box 2 of the answer booklet</b>			
<b>8 minutes</b>	<p>Box 2.</p> <p>Allow 8 minutes with a reminder after 6 minutes.</p>	<p><i>Look at your initial thoughts. Highlight the areas that interest you.</i></p> <p><i>Think about the challenge you have chosen.</i></p> <p><i>Which three ideas are worth developing?</i></p> <p><i>Then:</i></p> <p><i>Fill in box 2 with three possible design briefs.</i></p>	<p>Explain highlight – draw round, ring, highlight pen, make obvious.</p>

Session 1	Organisational instructions	Must say	Say in your own words
