Podcast;

The prefects here at ██████████ would like to welcome you to our wonderful school.

Here at ██████████ we have the best teachers, great facilities and a wide range of subjects to please everyone. Both staff and pupils enjoy working in our safe environment and calm ambience. The school has often been praised by the visitors and local newspapers.

The staff takes every opportunity to inform parents about the school and their child's progress. We have excellent ICT, drama and music facilities that are used regularly by students and teachers. This year, 2010, we have received an outstanding OfSTED report, thanks to the excellent behaviour and work of the students. We welcome all new comers, whether it is new year sevens or late comers to the school year.

Often, before attending our school, the Head Boy and Head Girl will show you around the school so you can see where lessons are taught and much more. This also gives you the opportunity to ask them any questions or voice any concerns you have.

When year 7's first join our school they will undergo a few tests called, CATs tests. This method is to evaluate their strengths and weaknesses in different subjects so our teachers know where they can help you to improve. Also during the first couple of weeks, the year 7's will have to participate in a false fire drill so they are aware of what to do during the event of a real fire.

For year 7's they have a Head of Year like the rest of the school does, the teacher is ██████████ and she is there to help with any problems or worries you may have when you first join. This includes bullying, if you should ever face this problem feel free to talk with her and she'll help make it stop.

For the first few weeks, Year 7 is taken to the canteen early, so that they are able to get their lunch before the rest of the school, this ensures that they know what to do when they collect their food and paying for it. The canteen offers a main meal, pudding and drinks. Food is also available at the caravan near the English and ICT corridors. The caravan offers sandwiches, wraps, pasta, cake and drinks.

If there are any other concerns or information you wish to know. Please feel free to look around our website. Thank you for listening and we hope to see you in the new academic year.
