Dear Head of Drama,

GCSE Drama Unit 1 and 2: 2012 standardisation training pack

We are pleased to be able to send you this GCSE Drama 2012 standardisation training pack. Your training pack contains documentary responses and a DVD of practical sessions for use in centre standardisation training and at Edexcel training events in the 2012/13 academic year. Marks and moderator comments will be available online for you to check your marking once the standardisation training events begin to run.

GCSE Drama Unit 1 and 2: 2012 standardisation training events

We're offering FREE face-to-face and online events for our GCSE Drama specification, including a day at Shakespeare's Globe on London's Bankside.

The three hour, face-to-face sessions will look at the examples of assessment materials in your standardisation training pack and discuss how the assessment criteria are applied to controlled assessment tasks. If you can't make the face-to-face sessions, we're also planning online sessions. All of the courses will be run by senior examiners.

There are separate sessions for units 1 and 2. Courses have been planned in the same venue on the same day, which will allow you to attend the unit 1 event in the morning and the unit 2 event in the afternoon. To book on any of these events, go to www.edexcel.com/training.
