**INSTRUCTIONS TO CANDIDATES**

- Refer to the Case Study given in a separate booklet.
- Write your name, Centre number and candidate number in the boxes above.
- Answer **all** the questions.
- Use blue or black ink. Pencil may be used for graphs and diagrams only.
- Read each question carefully and make sure you know what you have to do before starting your answer.
- Do **not** write in the bar code.
- Do **not** write outside the box bordering each page.
- Show your workings for **all** calculations.
- Additional answer space is available on the lined page at the back of the book. Answers on this page **must** be clearly numbered.

**INFORMATION FOR CANDIDATES**

- The number of marks for each question is given in brackets [ ] at the end of each question or part question.
- The total number of marks for this paper is 80.
- The quality of your written communication will be taken into account when marking your answers to questions labelled with an asterisk (\*).
- You may use an approved calculator.

This document consists of **11** printed pages and **1** lined page.

**Question 1**

Use Fig. 1 to answer the following questions.

- (a) Compare the changes in house prices between 1990 and 2004 in Greater London to those in the North.

---

---

---

 [2]

- (b) Explain **one** factor which might influence the demand for housing in the UK.

---

---

---

 [2]

- (c) With the help of a demand and supply diagram, explain why the average house price in Greater London differs from the average house price in the North.

---

---

---

---

---

---

 [6]

### \*Question 2

Use Fig. 2 to answer the following question.

Do you agree that housing is the main reason why unemployed workers in the North do not move to London for work? Give reasons for your answer.

---

---

---

---

---

---

---

---

---

---

---

---

---

[6+2]

**Question 3**

Use Fig. 3 to answer the following questions.

- (a) Explain **two** reasons why a first-time buyer might be unlikely to have savings of £30,000.

### Question 4

Use Fig. 4 to answer the following questions.

- (a)** Describe what happened to the rate of inflation between 1992 and 2004.

---

---

---

[2]

- (b)** Discuss the good and bad effects for homeowners of a sharp increase in the rate of inflation.

---

---

---

---

---

---

---

---

---

---

---

---

---

[6]

**Question 5**

Use Fig. 5 and Fig. 6 to answer the following questions.

- (a) How did the percentage of owner occupied housing and rented housing change between 1971 and 2001?

---

---

---

---

---

---

[3]

- (b) Explain **two** methods the seller of Updown Court might use to encourage the sale of the property.

1

---

---

---

2

---

---

---

[4]

- (c) Explain why Updown Court is most likely to be sold to a foreign buyer.

---

---

---

[2]

**Question 6**

Use Fig. 7 to answer the following question.

With the help of a demand and supply diagram, discuss whether the introduction of Styrostone UK's building methods would be good for the housing market.

---

---

---

---

---

---

---

---

[6]

### Question 7

Use Fig. 8 to answer the following question.

Discuss whether it is always good to build as many houses as possible.

---

---

---

---

---

---

---

---

---

---

---

---

---

---

[6]

**Question 8**

Use Fig. 9 and Fig. 10 to answer the following question.

How might the changes in the Bank of England base interest rate between 2001 and 2004 have affected the average percentage costs of running a house?

---

---

---

---

---

[3]

**Question 9**

Use Fig. 11 to answer the following questions.

**(a)** Why do local councils need a council tax?

---

---

---

 [2]

**(b)** State **two** qualities of a good tax.

1 

---

2 

---

 [2]

**(c)** Is council tax a good tax? Give reasons for your answer.

---

---

---

---

---

---

---

---

 [4]

**\*Question 10**

Use the information in the case study and your knowledge of economics to answer the following question.

Discuss the possible economic benefits and costs of owning your own home.

[illegible]

[12+2]

If you use the following lines to complete the answer to any question, the question number **must** be clearly shown.

[illegible]
