

GCSE English

GCSE ENGLISH CD-ROM (PUBLICATION CODE CG015585)

This CD supports the teaching of Edexcel GCSE English specifications 1203, 1204, 1213. It includes:

- A glossary prepared by Andrew Moore to support the Anthology. We have provided a gloss for half the poems from each section in the Anthology. We hope this will make the poems more interesting and accessible to all. The glossary provides a fascinating insight into language diversity and change and could also be used to introduce the study of English Language at AS level.
- Sample poetry examination scripts chosen to provide the teacher and student with a range of essay responses. Each script is accompanied by a Chief Examiner's commentary and guidance on how the response could be improved. Students are provided with helpful tips on preparing for the examinations and suggestions on how to prepare for clean copy examinations.
- Materials to support unseen non fiction questions for 1204.
- Complete set of 2004 examination papers and mark schemes.

Cost: £25.00
