Task life: Am I fit and healthy?

ANANGORA VIOLENTE PRANTICA PROPERTURIO DE POPULA POP

A mon avis de je suis en assém pront bonne Jefas des efforts pour garder la forme.

Mon opinion sur le talbogisme je le trouvé depoutant ce n'est pas bon pour la santé parce que vous pouvéz mourir d'un cancer des poumons mais sélon mois le problème le plus grave un drogues parce que gaspillage et je deteste le drogues.

En générale jessaire de manger sounement parce que quand jetais pétite je ne mangéais pas beaucoup de fruits ou de légumes et je ne buvous pas de boissions gazeuses j'essaire d'éviter non équilibre manger sounement il faut proteines, vitamines et fer il est bon pour le os et la peau mais vadere le chocolabe il est pleine de graisses de sucre en cest mauvais pour la sonté.

A mon auis le sportéest important pour gardés la forme parce que

Si je ne fais pas assez d'exercice je grossis aussi c'est bon pour combattre le stress je fais ele l'exercice pendant le cours d'EPs au college donc je suis assez activ ma passion c'est l'equitation j'y fais tous les sameous mais mon sport préfére le UTT parce que c'est passion ant par contre je n'aime pas le patinage parce que c'est trop dangeraux j'aimerais expessayer l'escalable mais j'y peur des hauteurs.

En conclusion je voudrous être plus en forme parce que je ne fais pas de ma regime a partir de mountenant j'essauverou de manger plus sounement, aussi je aeteste le drogues et fumer, j'ai bois de treva l'eau a mais je bois du coca mais plus de sucre.

Student 1 Task 1

Am I fit and healthy?

Content

The decision here lies between whether the student communicates 'a lot' or 'quite a lot' of information clearly. Points of view are expressed and sometimes explained and ideas are developed. However, there are areas where communication is delayed. Language such as 'A mon avis je suis en assé bonne forme sont équilibres, non équilibre manger sainement il faut protéines, j'ai bois de l'eau mais je bois du coca mais plus de sucre' does not communicate clearly. The paragraph relating to eating habits does not contain much detail about the student's current eating habits and whether he/she is fit and healthy. In terms of Content, there are more elements of the 7-9 band but as it is a borderline decision, a mark of 9 seems appropriate here given the fact that 'quite a lot' rather than 'a lot' of information is clearly communicated.

Range of language

There is a good variety of vocabulary and structure used. There are different tenses, the present, imperfect, conditional and future tenses and some complex sentences 'je fais des efforts pour garder la forme, quand j'étais petite je ne mangeais pas beaucoup de fruits ou de legumes et je ne buvais pas de boissons gazeuses, si je ne fais pas assez d'exercice, c'est bon pour combattre le stress' are some examples. This places the work in the 7-8 band. There is a bit of repetition in the fourth paragraph relating to sports 'parce que c'est' and there is some inappropriate language; 'mon opinion sur le tabagisme je le trouvé degoutant, j'y peur des hauteurs'. It is nearer the mark of 6 so a mark of 7 seems appropriate.

Accuracy

There are omissions; 'selon mois, le plus grave un drogues parce que gaspillage, mon sport préféré le VTT' and some errors not in attempts at complex sentences; 'assé, j'essaie de mangé, le chocolate, activ, le drogues'. The intended meaning is clear and the piece is more accurate than inaccurate. It fits the criteria for 3 marks.

Je n'oune pas visiter le museums parce que c'est nul mais jourer parce que c'est nul mais jourer parce que c'est me détendre.

Cette cannée je reste à la maison parce que je sera avoir un emploi comme soin assistante.

Student 1 Task 2

Account of a holiday

It is to be noted that 'il y a' and 'avons' occur on the TPF. This is not an issue in this piece because the student does not use it. If it was there, it would have to be disregarded.

Content

Some relevant information is conveyed but this is limited; 'L'année dernier on a visité en éspagne, ont servi le poisson accompagné d'une sauce au citron c'était superbe, l'année dernier j'ai visite le éspagne avec ma copains, c'était extraordinaire mais c'était effrayant, j'ai de bons souvenirs de mon séjour'. Simple opinions are expressed 'c'etait relaxant, c'etait amusant, j'adore me faire bronzer' and there is some development of basic ideas as shown above. It fits the 4-6 band well, so a mark of 5 is awarded.

Range of language

Apart from the few sentences that communicate clearly there is a great deal here that is inappropriate. The successful structures are mostly simple and rely mainly on the structure 'c'etait'. The piece fits the 3-4 band as it would not be the case that there is 'little understanding of language structure'. However, it is nearer the 1-2 band than the 5-6 band so a mark of 3 is appropriate.

Accuracy

The piece is not more accurate than inaccurate and the intended meaning is not always clear. Errors do impede communication but as explained above, there is a limited amount of information that communicates. It does match the criteria for the award of 2 marks.

Normalement, je vais en Grèce pendant les vacances d'été avec ma famille et nous y restons pendant parjois une semaine ou deux. De temps en temps nous visitons l'Espagne, cependant, nous trouvons le temps trop ensoleillé et trop chavd. En Grèce, nous avons l'habitude de manger beaucoup de nourriture locale car c'est si delicieux! Pour moi, ce sont des vacances de rêve, la seule chose que je déteste est le voyage en avion car ça me rend malade.

Ovand j'étais petite, ma famille et moi allions normalement à Disneyland Paris pour Noël. Nous pourrions l'Eurostar directement au parc d'attractions, j'aimais prendre le train parce que je trouvais cela relaxant Durant les autres vacances, souvent nous restons dans notre maison les vacances en France. C'était toujours relaxant et reposant. On pouvait dû au jaire ce que voulait car la maison était vraiment très belle et très grande.

En général, je trouve que les vacances ce sont parfaites pour detendre, bronzer et essayer de nouvelles choses. Par exemple, au printemps dernier je suis allée avec mes amis à l'Italie faire de la planche à voile, c'était incroyable, même si je me suis cassé le bras parce que je suis tombée de la planche de surf! A mon avis, presque tout le monde pour passer un bon moments et je crois que les vacances moyen un excellent prospose faire un pause

L'arrée dernière, ma jamille et moi avons iouie une maison à New York. Pendant le vol, je n'arrivais pas à dormir car notre avion était incroyablement bruyant : j'étais donc extrêmement en colère parce que j'étais jatiquée par le Voyage Aussi, quand nous avons débarqué, nos voulses avaient ête retardées, alors nous avons aura qu'il 15 à

l'aeroport pendant deux heures, quel désastre! Quand nous sommes enfin arrivés en nouve une maison sur la Cinquième Avenue et on s'est endormis et je pense que c'était le meilleure partie de la journée.

J'aurais préféré un peu plus de soleil parce que j'adore bronzer. Je préférerais aller au Canada parce que je voudrais apprendre à skier, cependant, je pense que ce sera très difficile! J'aurais aussi préféré aller les vacances avec mes amis plutôt que ma jamille car nous nous anusons quand nous sommes ensembles!

L'été prochain je veux aller les vacances à Brésil avec ma deux meilleurs amis car nous avons paysages époustouplants à voir. Nous allons rester dans un petit hôtel à Rio, principalement, nous re serons pas avec nos parents donc nous ne pourrons pas permettre un hôtel cher.

Task Title! By holidays

Student 2 Task 1

My holidays

Content

The piece clearly is fully relevant and detailed. There is a sound ability to convey information clearly and ideas and points of view are expressed and explained; 'la seule chose que je déteste est le voyage en avion car ça me remd malade, j'aimais prendre le train parce que je trouvais cela relaxant' are two examples among many. All aspects of the title are developed; detail relating to general holidays, the importance of holidays, regular and recent holidays, preferences and a future holiday and the work fits the criteria for the award of marks in the top band 13 – 15. There are some areas where communication is delayed, however, 'on pouvait dû au faire ce que voulait, les vacances moyen un excellent prospose faire un (un not une) pause'. This would indicate that a mark of 14 is appropriate here.

Range of language

There are six tenses used. Present, perfect, imperfect, pluperfect, future conditional and conditional perfect. There is a good variety of appropriate vocabulary and structures including successful use of object and subject pronouns 'y, nous, on', subordinate clauses 'ce que, que' and connectives. However, vocabulary and structures such as 'nous pourrions l'Eurostar, tout le monde pour passer un bon moments, les vacances ce sont parfaites pour detendre, je suis allée avec mes amis à l'Italie faire de la planche à voile, nous ne pourrons pas permettre un hôtel cher, nous avons aura qu'il à l'aéroport' would indicate that complex sentences are mostly successful rather than handled with confidence. It is borderline, however, and one is tempted by the mark of 9, so a mark of 8 seems appropriate here.

Accuracy

The work merits a mark of 5. Verbs and tense formations are secure. Errors do occur in attempts at more complex structures and these have been considered in awarding marks for Content and Range of Language.

Bonjour je m'appelle victoria, mais mes amis m'appellent victy!

Mon école s'appelle

et c'est l'endroit idéal pour

séussir à mon avis. Nous avons des équipements sportifs

étonnants pour les activités sportives à l'intérieur et à

l'extérieur comme par exemple des courts de tennis où j'ai

fait un match hier avec ma meilleure amie! Je pense que

mon école est parfaite et en plus a une très bonne réputation.

Si vous travaillez dur, vous auxez de tennes notes et etterneure

d'excellentes quaufications.

Cependant, mon écolo est très smiche et il y a beaucoup de consignes à respecter si vous ne voulez pas avoir de colle Moi, j'en ai eu une une pris car je portais du maquillage et c'est interdit! Je n'ai jamais recommencé, c'était trop humiliant! Rema Néanmains, je trouve cette règle stupide - pour moi, le maquillage ne ménte pas de punition parce que c'est très utile pour couvrir les imperfections, surtout chez les adelexents! J'aimerais aussi changer l'uniforme, car il est temblement inconjortable, surtout quand il joit chaud!

Mes manères préférées sont l'anglais et le prançais. Je les aime, beaucoup ear je suis forte à l'écriture et j'ai vraiment du plaisir à apprendre du nouveues chases sur les deux sujets. En règle générale, je trouve souvent que je suis pire aux cours pranques et à la suite de ceta, deux fois par semaine, je redoute l'éducation physique, l'est mon cauchemar! D'un autre côté, j'aime mon professeur de sport, Madame smith, car elle m'encourage à me joinare au groupe et me fait propher de la leçon la plupart du temps. Ovans j'étais à l'école primaire, j'adorais le sport et je parheipais à toutes les activités - j'attendais toujours cette leçon avec impariente - pai comme j'ai changé!

l'arrée dernière, je suis allée en échange en France avec mon àcole. Nous avons pris l'Eurostar et je suis arrivée min à Pan's très vite, cependant, je me suis endormie! Tout d'abord, nous avons visité la Tour Eigel, elle était si élevée que cela m'a fait me sensir un per malade, néanmoins, la vue était spectaculaire. Peu de temps après, j'ai rencontré mon étudiant prançais, elle s'appellait Melody et je pense que nous serons des amis pour longtemps car elle est si gentille! Le lendemain, nous sommes auses faire du shopping, je porté une belle robe rouge que Melody avait trouvée pour moi. La semaine suivante, c'était le moment pour moi de partir, je détesté dire au revoir, mais, j'étais impariente de revoir ma jamille 5i j'ai de bonnes notes au moment où je quitterai l'école, j'irai à l'université où je jerai une licence d'anglais et d'histoire, parce que, je suis jorte en littérature. Je n'ai pas la moinare idée de ce que je jerai quand je quitterai la fac, mais je sais que, je ne voudrais pas être professeur de mathémariques, ni écrivain, surtout je pense que ce sont des emplois très ennuyeux! ANNOVARANTES L'anisant personne méricament en julique Je voudrais quelque chose d'excitant et j'espère pouvoir être une personne intéréssante, peut être je sein sera très riche et très heureuse. Ce sera parfait! Component code: 46554 Task Title! An orbicle about your school

Student 2 Task 2

An article about your school

It is to be noted here that the title is more a context/setting and the school/college would be advised to be producing titles such as 'My school'.

Content

Although the title is 'An article about your school' there are paragraphs relating to an exchange visit and future aspirations. Examiners are encouraged to take a broad view of this given that it all relates to the student's education and experiences. The piece merits full marks. Communication never breaks down and the detail and development of ideas and points of view are there in abundance. Descriptions of the facilities, ideas relating to the school rules, subjects and teachers, the school exchange visit are all well expressed and detailed.

Range of language

The work definitely merits the award of marks in the 9-10 band. There is a wide variety of successful tense usage; present, perfect, imperfect, future and conditional tenses. There is a wide variety of appropriate vocabulary and more complex sentences are handled with confidence. Examples of this are complex sentences using 'si' and 'quand', creation of many subordinate clauses using 'qui' and 'que' and a variety of infinitive constructions. A mark of 10 is awarded, therefore.

Accuracy

The piece is very accurate. There are some errors 'qualifications' and 'avec impatiente, Je porté, je détesté' and 'je sera'. However, despite these errors, the work is very accurate and it would be true to say that verb and tense formations are secure. The work therefore merits a mark of 5.

Student 3 Task 1

Healthy living

It is to be noted that the title is not clearly stated on the task sheet.

Content

What needs to be considered here is if the work is 'mostly' or 'generally' relevant in terms of the response to the task. It is always an issue with the title 'healthy living' that students do not always refer directly to the title. In this piece there is the sentence at the end of the second paragraph, the fifth paragraph and the last paragraph that refer directly to the title. The references to judo also work. Examiners are reminded that they should take a 'broad view' of direct adherence to titles. Ideas and points of view are expressed and explained; 'je bois un coca parce que j'adore ça, il faut faire beaucoup d'exercise parce que c'est bon pour la santé' are two examples. In terms of whether 'quite a lot' or 'a lot' of information is conveyed clearly, it is true to say that there is some extended language relating to meals, sports and future plans. The piece is borderline but the work does just fit the descriptors in the 10-12 band in that a lot of information is clearly communicated so a mark of 10 is appropriate.

Range of language

There is some variety of vocabulary. There is successful use of present, perfect, imperfect and immediate future tenses. Longer sentences are attempted. However, complex sentences are 'sometimes' rather than 'mostly' successful. There are many words from languages other than French; 'chocolate, por example, dificil, par que, valet, exercise, éstudante' and these impact on the success of the complex sentences. The piece therefore fits the 5-6 rather than the 7-8 band. It is borderline and nearer the 7-8 band so a mark of 6 is awarded.

Accuracy

Errors do not always occur in complex sentences; 'j'etude, au parc avec, des un concours, les dents noirs, duex seeurs, amisant, il fait for il faut, por jeur.' The decision between 3 and 4 marks is very borderline as verb forms are usually correct but a mark of 3 seems more appropriate.

GCSE Writing Task - Where I live

You will need to write an essay about where you live. The essay should be between 200-250 words in total.

- My home
- My bedroom
- My town and neighbourhood
- What you did in your area last week
- What you are going to do this weekend
- Environmental issues

Student 3 Task 2

Where I live

Content

There is 'a lot' rather than 'quite a lot' of information clearly communicated here. Ideas and opinions are expressed and explained; 'A mon avis ma maison et super parce que il y a un beau salon, il y a beacoup de circulation et ça fait de bruit il faut utiliser le transport en commun' However, there are areas where there is some delay; 'j'ai acheté une este noure, j'ai regarde un film et j'avais peur le weekend je vais faire mes devoirs'. The piece conveys a lot of information about the bedroom, and there is detail relating to the house and garden, although this is really only one sentence. There is some development of ideas relating to local area, weekend activities and environmental issues. It just matches the criteria for award of marks in the 10 – 12 band, so a mark of 10 seems appropriate. A little more detail in some of the areas mentioned above would have attracted higher marks.

Range of language

There is a variety of appropriate vocabulary here and there are 4 tenses – present, perfect, imperfect and immediate future. There are also attempts at more complex structures; 'a mon avis, parce que, aussi, mais quelquefois, le meilleur chose est qu'il y a, ca fait de bruit, il faut utiliser le transport en commun'. This would place the work in the 7-8 band for range. However, there is also some inappropriate vocabulary; 'je vais parler de j'habite, modern, problems avec les drogs' It is nearer the mark of 6 than 9 so a mark of 7 is appropriate.

Accuracy

Verb forms and tense formations are sometimes unsuccessful; 'ma maison et super, je jouer PS3, je jamais lire', there are omissions; 'il y a petit lit, armoire pour mes vêtements, ce weekend vais aller' and some errors not in complex sentences; 'm cuisine, duex salles, me piste de telé, la semaine dernier, les chose'. The piece fits the criteria for the award of 3 rather than 4 marks.

Student 4 Task 1

My health and fitness - am I fit and healthy

Content

The work clearly communicates well. It fits the top band of marks as it is fully relevant and detailed and ideas and points of view are expressed and explained, for example 'les pâtes parce que ce sont sains, je ne suis pas trés douée pour le sport alors je ne fais pas de sport'. There is detail relating to eating habits, lifestyle choices and sports. It does not score 15 because there are some parts when communication is not clear; 'De temps en temps je suis enruhume alors je pense que je suis en bonne forme et santé en général, je ne mangeais pas de légumes parce que ils étaient trop sains'. In addition, the way the fourth paragraph is punctuated causes some delay in comprehension. It therefore merits the mark of 14.

Range of Language

This fits the top band of marks. There is a wide variety of language – complex sentences are there including good use of connectives 'et, mais, parce que, alors, si'. A variety of tenses is used effectively; present, perfect, future, immediate future, imperfect and future perfect. However, there are some areas where there is some inappropriate language; 'j'ai pris ce poisson et frites, j'ai un panini' and the use of 'ce sont' rather than 'ils sont' twice in the second paragraph. A mark of 9, therefore, seems appropriate here.

Accuracy

The piece has elements of 3 and 4. Not all errors occur in attempts at complex sentences; 'oeufes, protiens, de fruit de legumes, des bon bons, de temps de temps, c'est idiots'. However, verb and tense formations are usually correct so the piece fits the criteria for a mark of 4.

Student 4 Task 2

My holidays

Content

This piece merits 15 marks for Content. It is fully relevant and detailed. It describes in detail the journey, the accommodation, activities undertaken, a meal and future plans. It expresses and explains ideas and points of view very well; 'j'aime aller au bord de la mer parce que j'adore me relaxer, je me suis beaucoup amuse ce que j'aime le plus c'etait le soleil' are two examples. A sound ability to convey information clearly is well demonstrated. There is no delay in communication anywhere in the piece.

Range of Language

There is a wide variety of language. Complex structures and various tenses are used effectively; 'soit en Europe soit aux Etats-Unis, qui etait, nous avons passé la journée à nager, c'était quand, ce que j'aime le plus, c'était.., si j'avais le choix..., j'irais...' Five verb tenses are used successfully; present, perfect, imperfect, future and conditional. This work merits the top mark of 10.

Accuracy

The piece fits the descriptors for the mark of 4 rather than 5. There are far too many errors, albeit mainly minor, for the piece to be awarded full marks. Omitted accents and errors such as 'normalment, l'année dernier, huit heure, j'etaits, s'aplait, picine, resturant, chos' prevent the work from achieving the top mark of 5. Therefore a mark of 4 is awarded here.
