Student 1 Task 1

Me and My Family

Content

This is a fully relevant and detailed response to the task. Ideas and points of view are expressed and explained: 'je m'entends bien avec ma mère parce que elle cuit pour la maison et elle est sympa, je ne m'entends pas bien avec mon petit-frère car il est agaçant et bruyant'. However, there are areas when communication is delayed: 'quand j'avais tres ans, je ne jouer pas le foot autant mais je joue au foot encore, j'êtrai jusqu'à j'avais seize ans'. This impacts on whether there is a 'sound' ability to convey information clearly. The piece therefore merits a mark of 13. It just meets the descriptors in the top band of marks.

Range of language

There is a good variety of appropriate vocabulary and structures. Present, perfect, imperfect and conditional tenses are there. There is effective use of connectives 'et, avec, parce que, car, cependant, quand,'. More complex sentences are attempted but they are mostly successful rather than handled with confidence: 'ma mère est le plus gentile que mon frère, il employe moi, il est strict ce que m'agace, nous avons fait à pied' are some examples. There is also the repeated use of 's'entendre' and 'quand j'avais…ans'. It fits the 7 – 8 band well and merits the higher of the two marks.

Accuracy

The piece demonstrates features of 3 and 4 for accuracy. Many errors are as a result of attempts at complex sentences but some are not. Verb and tense formations are usually correct, however, and some of the unsuccessful language has been considered above. A mark of 4 is therefore awarded.

Student 1 Task 2

My Health

Content

The piece falls within the top band of marks. Ideas and points of view are expressed and explained: 'je crois que je mène une vie saine, je mange beaucoup de nourriture sain, j'adore l'eau parce que il est bonne pour la santé' are two of several examples of this. There are some areas where communication is delayed: 'Je restais dans ma maison et je joue les jeux-vidéos, le goût de l'alcool est malade, c'etait fantastique est savoureux'. The work is therefore awarded a mark of 13.

Range of language

The vocabulary and structures are varied. There are successful attempts at complex structures: 'je mène une vie saine, je ne bois que l'eau, j'ai besoin de l'energie' However, there is some repetition of some phrases such as: 'faire de la bicyclette, les pâtes avec le poulet'. There are 4 tenses used: present, perfect, imperfect and conditional. Complex sentences are attempted and these are mostly successful although in some cases e.g. 'ce m'hydraté, ça est moins sain, il a dû à l'hôpital' less successful. The work is therefore awarded the top mark in the 7 – 8 band as it meets the criteria well and is borderline.

Accuracy

There are errors but these do not really impede communication and although some errors are there not as a result of attempts at complex sentences, the majority are. The work merits a mark of 4 as the piece fits the criteria well for this mark.

Student 2 Task 1

Education and Work Experience

Content

The piece fits the criteria in the top band of marks. It is fully relevant. There is detail relating to school subjects, a description of the school, routines rules and future plans. The title is 'Education and Work Experience' and although there is more information conveyed relating to Education than Work Experience, there is enough about the latter (nearly 100 words) to satisfy the 'detailed' element of the criteria. Ideas and points of view are expressed and explained: 'J'aime le dessin parce que c'est amusant, j'aime le collége parce que mes amis viennent ici, je changerais le bâtiment parce que c'est trop vieux' are some examples. The ability to convey information clearly is sound. The piece scores 15 marks for Content.

Range of language

The work fits the criteria for award of marks in the top band. There is a wide variety of complex structures – connectives 'par exemple, et, cependant, apres ça, mais, qui' are used effectively. The use of a different person than 'je' is an effective way of demonstrating variety 'On a construit, mes amis viennent ici, il est trop petit pour le nombre d'élèves' and there is good use of infinitive constructions such as: 'Il faut porter, j'espere reussir, j'ai l'intention de'. A variety of tense usage is evident with five tenses used – present, perfect, imperfect, immediate future and conditional. There is perhaps an overuse of 'parce que' and some unsuccessful attempts at some complex structures such as: 'Il n'y a pas bonne pour la santé, je n'aimerais pas y travail, sa m'interesse'. A mark of 9 is appropriate here.

Accuracy

Other than some unsuccessful language mentioned above, the only errors relate to some missed accents and the words 'le cuisine, une appel, une stage, une travail'. Verbs and tense formations are secure so there is no reason why the mark of 5 should not be awarded.

Task: Tourism

Write an article for your school magazine about your views on holidays.

Je préfère passer les vacances a l'étranger parce qu'il fait plus beau qu'en Anglèterre. J'aime les vacances dans les grande villes parce que qu'il y a beaucaip des choses c faire et on peat faire les causses. En vacances ce que j'aime c'est faire les causses mais j'naime pas me bronzer parce que c'est ennuyeux.

l'ance dernière, j'ai passé les vacances en Espagné, je vo passé deux semaines et je suisablé avec mes parents. Je préfère partir avec mes parents parce qu'ils paient paur moi. Aussi j'ai vayagér en avion, ¿ je préfère vayager en avion, ¿ je préfère vayager en avion parce que c'est plus rapide. Je suis partiau mois d'aôut.

Jesuis resté dans un hôtel, jaime mieux loger dans un hôtel parce que c'est confortable. l'hôtel était grand et moderne et il y avoit une piscine. J'ai eu une chambre pair une personne avec daiche et j'ai pris la pension complete. Il y avoit une balcon et c'était super parce que j'ai aimé la vue.

la ville au je suis restée s'appelle Madricl. Comme distractions il y a des cinema, comme monuments historique il y a la cathédrale, comme magasins il y a des centres commercieux et paus les gens sportifs il y a des pisaires. I'laime parce que c'est animé.

Student 2 Task 2

Tourism

Content

The piece fits the criteria for the award of 13 – 15 marks. It is fully relevant and detailed. The candidate regularly expresses and explains ideas and points of view, some examples being: 'Je préfère partir avec mes parents parce qu'ils paient pour moi, j'aime mieux loger dans un hôtel parce que c'est confortable, c'était super parce que j'ai aimé la vue'. There is detail relating to preferences, a recent holiday including accommodation, the resort, an account of a day, impressions and opinions of the holiday and plans for next year. Given the general title 'tourism' one might have expected a little more information relating to other than the recent holiday to create a little more 'balance'. The piece therefore merits a mark of 14 rather than 15 marks for content.

Range of language

There is a wide variety of language here. Complex sentences are produced effectively and with confidence. Infinitive constructions such as 'Je préfère passer, ce que j'aime c'est faire les courses, on pouvait se détendre', structures such as 'Il fait plus beau qu'en Angleterre, c'est un pays qui m'intéresse', connectives 'apres ça, et, mais, parce que, aussi' and the use of five tenses – present, perfect, imperfect, immediate future, conditional are evidence of the candidate's ability to use a variety of language effectively. It is deserving of a mark of 10 for range of language.

Accuracy

The work demonstrates features of both 4 and 5 for accuracy. There are just too many errors such as: 'les grande villes, on peat, j'naime pas, l'année, une balcon, commercieux, j'laime, la gôut' to justify 5, so a mark of 4 is awarded.

Student 3 Task 1

Healthy Lifestyle and Eating Habits

Content

The work fits the criteria for award of marks in the top band. It is fully relevant and communication is effective. Ideas and points of view are expressed and explained in sentences such as: 'Je suis en assez pleine forme parce que je fais assez d'exercice, ce n'est pas bon pour la santé, c'est degoutant et c'est cher, je ne bois pas d'alcool parce que je suis trop jeune'. Communication is delayed on one occasion 'parce que être sociable'. In terms of the detail, one might have expected a little more about the candidate's eating habits with more development of ideas and maybe some more information relating to keeping fit. It just fits the criteria in the top band so a mark of 13 is awarded.

Range of language

There is some good use of language: 'ça fait grossir, pour faire comme les autres, on risque de gacher sa vie, pour ameliorer ma vie' and five tenses used successfully – present, perfect, imperfect, future and conditional. However, there is a repetition of 'j'aime, je prends, on devrait, ce n'est pas bon pour la santé' which therefore places the work in the 7 – 8 band. It is nearer the mark of 9 than 6, so a mark of 8 is appropriate.

Accuracy

There are only a few errors in the piece, and these are minor. Communication is only delayed in one case, and this has been taken into consideration in the award of marks for content. The work therefore merits the mark of 5 for accuracy.

Student 3 Task 2

My life as a teenager

Content

The work merits full marks. It is fully relevant and detailed. Information about family, friends, birthday, leisure, school life, life in general and future plans is conveyed clearly and developed well. There are many examples of ideas and points of view being expressed and explained, examples being: 'Je l'aime, parce qu'elle est sympa, j'aime l'EPS parce que c'est amusant, j'aime le professeur aussi, il explique bien sa matiéré'. Communication never breaks down. The piece is awarded 15 marks for content.

Range of language

The work matches the criteria for the 9 – 10 band. There is a wide variety of language and complex structures such as: 'quand elle m'énerve, je m'entends très bien avec lui parce qu'on s'intéresse aux memes choses, qui s'appelle, pour me relaxer, j'aimerais finir plus tôt, ce que je n'aime pas dans ma vie c'est' work well. The is effective use of 'nous, il, elle, on' as well as 'je'. Tense usage is good. There are examples of present, perfect, imperfect, future, immediate future, conditional tenses used successfully. However, there are some places where attempts at complex language are not successful: 'C'était amusant et on s'amuse ensemble, J'ai regarde les emissions particulieres, nous avons par satellite, je me suis content de mon choix'. A mark of 9 is therefore awarded.

Accuracy

The work fits the criteria for 4 marks. Errors such as: 'Je 16 ans, elle est les cheveux bruns foncé, c'est grande, le durée, le physique, un grand maison' together with the lack of accents in too many places lead to the award of 4 rather than 5 marks.
