## 2 Aistrigh an sliocht seo a leanas go Gaeilge:

I was on my way to work without a care in the world when suddenly, two men rushed past, shoving me out of the way. I turned angrily to shout after them but it was no use as they had disappeared.

I was a little shaken but continued on. As I came around the corner I came upon a man lying injured in the street with blood coming from a wound in his head.

He was dazed and I couldn't understand what he was saying at first. Gradually, it became clear that he had been attacked by the two men who had just passed me.

He had come across them in his shop as he was opening up and, as soon as they saw him they attacked him and then ran off with some valuable jewellery from the shop. Fortunately, he recognised them and was able to give a description to the police who later arrested them. [20]
