

NOTICE TO CENTRES

FAO: Head of Geography

Date: April 2012

Subject: GCSE Geography B J385

Specification coverage

We'd like to remind you that candidates are expected to study all the content of the four key themes within the specification:

Theme 1: Rivers and Coasts

Theme 2: Population and Settlement

Theme 3: Natural Hazards

Theme 4: Economic Development.

Candidates should study all four key themes during their course to give complete coverage of the specification. This allows candidates currently in Year 10 (first teaching September 2011) to take advantage of the flexibility provided by the current unitised structure of the specification.

Studying the content in its entirety should also ensure candidates are well prepared to continue to study Geography at a higher level.

If you have any queries about this notice, please call our Customer Contact Centre on 01223 553998.
