

NOTICE TO CENTRES

FAO: Head of Geography

Date: 1st October 2010

Subject: GCSE Specification B (J385) Sustainable Decision Making Exercise Pre-release Resource Booklet Unit B561

SDME (UNIT B561) RESOURCE BOOKLET

Following feedback from centres, OCR has reviewed the arrangements for student access to the Resource Booklet for the Sustainable Decision Making Exercise.

All **original** copies must be handed in at the end of each lesson as before. However, centres may allow candidates to take home **photocopies** of the Resource Booklet during the three weeks' preparation time. These photocopies can include all, or parts of, the booklet.

The original booklet **MUST NOT** be allowed home, but retained in the centre and **MUST** be kept clean and unannotated ready to be taken into the examination room.

OCR will **NOT** be providing a second copy of the booklet per candidate. Centres are responsible for ensuring the booklets used in the examination are clean and have no markings on them to ensure all candidates are treated fairly.

This applies to the Sustainable Decision Making Exercise Pre-release Resource Booklets for both the January and June series.
