### **Part 3 SUGGESTED QUESTIONS FOR GENERAL CONVERSATION**

The General Conversation for each candidate is based on two out of the three Themes (ie the remaining two Themes which have not been covered in the Photo card). You must have a conversation with each candidate on a topic or topics from two Themes, the first of which will be from the candidate's nominated Theme.

The following questions are examples of the type of questions you may ask candidates. There are two example questions per specification topic under each of the three Themes. Whilst these questions are examples of the type of questions you may ask, they are neither prescriptive nor exhaustive. Within the specified Themes, you should choose topics which reflect the individual candidate's interests and ask questions commensurate with the candidate's linguistic ability. When asking questions on a particular Theme, some candidates may be able to hold an excellent conversation on just one topic or even sub-topic within that Theme, showing development of ideas in a specific area. Other candidates may not have such in-depth knowledge and/or linguistic expertise to be able to concentrate on such a specific area, and so will take part in a conversation on a wider range of topics or sub-topics within each of the two Themes.

## GCSE German Speaking Test Sequence Chart – Foundation Tier

In the grid below, Candidate Order refers to the sequence in which the candidates are tested by each teacher, not for the school/college as a whole. Each Role-play is identified by a number and each Photo card is identified by a letter. The candidate must be allocated the Role-play card as indicated in the grid below.

Candidates are permitted to choose the first Theme they will discuss in the General Conversation and the third and fourth columns of this table confirm which Photo card will be allocated to the candidate, according to their chosen General Conversation Theme. The final column confirms the second General Conversation Theme to ensure all Themes are covered during the test.

**Example 1** – Candidate 1 chooses Theme 3 as her first Conversation Theme. She will do Role-play 5, Photo card F and her second Conversation Theme will be Theme 2.

**Example 2** – Candidate 6 chooses Theme 2 as his first Conversation Theme. He will do Role-play 17, Photo card O and his second Conversation Theme will be Theme 1.
