Question Number	Answer	Mark
16(a)	 1x 3 for stating early adulthood adolescence early childhood 	3

Question Number	Answer	Mark
16(b)	 1-2 marks for identifying points only 3 marks for identifying one point and developing a weak explanation - must be relevant to point identified 4 marks for point or points identified and then fully and accurately development counsellor child psychiatrist child psychologist Therapist Bereavement counsellor or named organisation e.g. Cruse Impact Advice Strategies for coping Techniques for coping Medication Emotional support Being able to talk to someone/confide Opportunity to express 'feelings' Discuss issues Do not accept social services, GP or nurse - medical professionals unless the GP has referred the individual on, this is acceptable and then mark who the referral professional is e.g. counsellor 	4

Question Answer Ma Number	
Number 4 16(c) 1-2 marks for identifying points only 4 3 marks for identifying one point and developing a weak explanation - must be relevant to point identified 4 4 marks for point or points identified and then fully and accurately development 4 QUESTION CAN BE ANSWERED BOTH POSITIVELY/NEGATIVELY • argue more/argue less/compromise • tension increases/ less tension • conflict • fall out • grow apart/grow closer together / mother and daughter time • increasing resentment/ talk things through • increasing resentment/ talk things through • increase stress for both • breaks bond / closer bond • loss of control / agree boundaries/ learn to trust • anxiety and worry • feelings of isolation • Ruby may turn to friends • Break down in communication • Relationship breaks down / turns bad Example of 4 marks - her behaviour may upset Assie and cause her more stress and anxiety. This may then lead to more arguments and confrontation leading to more fall outs and growing apart or reinforces negative behaviours. (4 mark answer)	

Question Number	Answer	
16(d)	PIES CAN BE may Shoc may lose put anti smol does isola lose mak men depr lack learn learn loss finar loss finar loss Addi	not sleep weight on weight - social behaviour
Level	Mark	Descriptor
	0	No rewardable material
Level 1	1-2Weak response with only points identified. Any description or explanation will be limited.	
Level 2	3-4 Accurately identifies points and can develop an accurate explanation. Response may be repetitive and lacks balance.	
Level 3	5-6	Coherent, well structured response which accurately reflects question stem. Good use of vocabulary. Can make valid links. For 6 marks conclusion must be present.

Question Number	Answer			
16(e)	NO MARKS F	OR DEFINITIONS AS IT IS ASSUMED THEY KNOW THESE .		
QWC		n self concept will be either positive, negative or no change (they should sentence identifying this)		
	 Great Happ Stront Bonce Accest Below Morest 	 Happier Stronger Bond with friends Accepted Belong More independent 		
		viour positively in the following ways - change of hair colour, clothes, th and fitness, attitudes etc		
	 IMPACT NEGATIVELY Lack confidence Unhappy Lack trust Loner Difficulty making friends Unaccepted Excluded De-motivated/drops out Shape behaviour negatively in the following ways - bullied, picked on, teased etc. Award no marks for the shaping behaviour unless it is qualified by how e.g. lacking confidence and unhappy e.g. teased. EXAMPLE - the peer group can be a powerful influence on our self concept. For 			
	example it can help change and shape our self image and in turn we can change our appearance e.g. lose weight, change the colour of our hair, tattoos, piercing etc. The peer group can give us a sense of belonging and can help motivate and encourage us at school or in playing sports.			
	Alternatively however it can have a negative influence on our self concept. If we are being teased or bullied it can create insecurities and we can become excluded and unhappy.			
Level	In conclusion it is important that the individual is aware of the importance of the peer group in shaping self concepts and be aware of the influence it can have on us.MarkDescriptor			
	Mark Descriptor 0 No rewardable material			
Level 1	1-3	Weak response with only points identified. Any description or explanation will be limited. max 3 marks		
Level 2	4-6	Accurately identifies points and can develop an accurate explanation.		
Level 3	7-10	Response may be repetitive and lacks balance. max 6 marks Coherent, well structured response which accurately reflects question stem. Good use of vocabulary. Can make valid links. For 10 marks conclusion must be present.		

Question Number	Answer	Mark
17(a)	 1 x 2 For identifying Obesity Diet Heavy drinking Diabetes 1-2 marks for an accurate description Leads to poor health Depression Premature death Chronic illnesses Lack of exercise because of obesity Identification and explanation but link and accept no repeat explanations 	4

Question Number	Answer	Mark
17(b)	 1 mark for giving examples of nature (eye colour) or nurture (housing) 2 marks for presenting only one definition 3 marks presenting both definitions without a clear understanding of the difference 4 marks two clear accurate definitions with examples and response clear demonstrates understanding of difference Example - heredity refers to the genetic blue print which the individual inherits from their parents such as eye colour or blood group whereas environment refers to the life experiences and situations which the individual may encounter which may affect development such as income, social class, housing etc. 	4

Question Number	Answer	Mark
17(c)	 1-2 marks for identifying points only 3 marks for identifying one point and developing a weak explanation - must be relevant to point identified 4 marks for point or points identified and then fully and accurately development Responses may commence with 'self esteem may dropt, fall or decrease' or it may stay unchanged IMPACT Less confident Unhappy More worried/anxious Stressed Feels different to friends Lack of coping Blames himself / feels guilty Socialises less Impact on self image/concept Holds back May be able to adapt Needs to change lifestyle - realisation 	4

Question Number	Answer	Mark
17(d)	 Increase in morbidity rates /chronic long term illness Increase in premature death rates e.g. cancers Increase in stress Increase in mental health problems, depression, anxiety Social exclusion, discrimination Negative self concept /esteem/image Impact on income - less of Poor diet Access - physical to surgery e.g. transport Poor housing Ability to communicate accurately what is wrong may be poor due to lack of knowledge Unemployed DO NOT ACCEPT CAN'T PAY FOR PRESCRIPTION AS THESE WILL EITHER BE FREE OR BENEFIT LINKED	6
