

### GCSE History Coursework Assignments by Specification

The table below shows which of the Edexcel-designed GCSE History coursework units are appropriate for which of our three specifications. Teachers are reminded, however, that specific choices must be made to fit the requirements of the course as a whole. These requirements are set out in *Section C: Coursework units* of GCSE History A (1334) and GCSE History C (1336) and *Internal Assessment: Coursework guidelines* of GCSE History B (1335).
