SOURCE B

Galen is a liar and a fake. He is good for nothing. You will not need him. Reading never made a doctor. You only learn from patients.

From a lecture to medical students in a German university in 1527.

SOURCE C

February 3: The Physicians considered it necessary to open both jugular veins and draw off about ten ounces of blood.

February 4: It seemed advisable to the Physicians to prescribe a mild laxative. Later, as the night advanced, they gave him spirit of human skull.

February 6: Being reduced to almost their last resource they gave him Oriental Bezoar. But in spite of every kind of treatment attempted by the Physicians he died soon after noon, towards the end of the fifty-fourth year of his life.

*From an account of the treatment of King Charles II in 1685.
This account is by one of the doctors who treated Charles during his final illness.*
