Proposed task/title of enquiry

Types of resource(s)/data to be used:
--

Relationship of coursework task/enquiry to the Assessment Objectives

After completion, this form must be returned to OCR at least two months prior to the coursework being undertaken.

INSTRUCTIONS FOR COMPLETION OF THIS FORM

- 1 Proposals should be submitted to OCR at least two months prior to the coursework being undertaken.
- 2 The submission to OCR should include details of the subject to be investigated, the data to be used, the approach to be used and the mark scheme to be applied (if amendments are made to link the marking criteria more explicitly for a particular enquiry).
