*Answer **all** the questions on this paper.*

- (a) Study Source A below and then answer the question which follows.

**Source A**

People always managed to find money to bring in their children. But mothers would go without. When the National Health Service (NHS) came along all of that changed. Within six months I had 30 to 40 women come in who had all been suffering from problems of their own.

[A doctor talking about medical treatment before the NHS was set up in 1948]

What does Source A tell you about medical treatment before the NHS was set up? [2]
