You will be awarded marks for the quality of your written communication.

Your answers must be relevant and must make full use of the information given to be awarded full marks for a question.

You are reminded that you should always support your answers using your knowledge and understanding of the topic chosen.

No certificate will be awarded to a candidate detected in any unfair practice during the examination.

CONTEMPORARY ISSUES UNIT
THE CHANGING WORLD OF WORK

Answer all questions.

- (a) Study Source A below and then answer the question which follows.

Source A

‘Henry Ford developed the idea of a continuously moving assembly line. As the car chassis moved down the line, the workers had to produce their set tasks before it had passed by. The most important skill was speed, as anyone could learn the simple, repetitive tasks. Ford could produce more cars in less time and at less cost.’

[From a school history text-book]

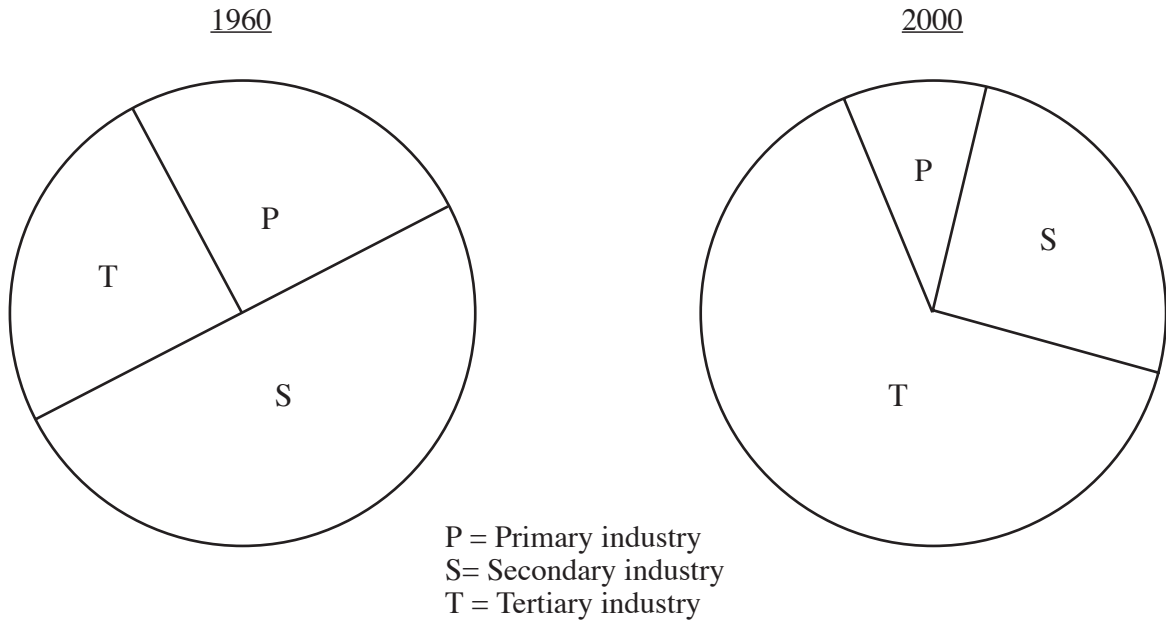

What does Source A tell you about ‘mass production’?
