COMMUNICATION TECHNOLOGY**

Paper 3 (Foundation Tier)

2359/01

Candidates answer on the Question Paper

OCR Supplied Materials:

None

Other Materials Required:

None

Monday 28 June 2010

Afternoon

Duration: 1 hour

Candidate Forename				Candidate Surname			
--------------------	--	--	--	-------------------	--	--	--

Centre Number						Candidate Number			
---------------	--	--	--	--	--	------------------	--	--	--

INSTRUCTIONS TO CANDIDATES

- Write your name clearly in capital letters, your Centre Number and Candidate Number in the boxes above.
- Use black ink. Pencil may be used for graphs and diagrams only.
- Read each question carefully and make sure that you know what you have to do before starting your answer.
- Answer **all** the questions.
- Do **not** write in the bar codes.
- Write your answer to each question in the space provided. Additional paper may be used if necessary but you must clearly show your Candidate Number, Centre Number and question number(s).

INFORMATION FOR CANDIDATES

- The number of marks is given in brackets [] at the end of each question or part question.
- The total number of marks for this paper is **60**.
- No marks will be awarded for using brand names of software or hardware.
- This document consists of **12** pages. Any blank pages are indicated.

- 1 Circle **two** features of multimedia presentations which would **not** be found in a word-processed document.

images

numbers

sound

tables

text

video

[2]

- 2 Circle **two** storage media.

bar-code reader

CD

graphics tablet

hard disk

OMR

touch screen

[2]

- 3 Complete each sentence below using **one** item from the list.

An icon

A motor

Presentation software

A touch screen

A typed instruction

..... is a feature of a graphical user interface.

..... is a feature of a command line interface.

..... is an output device used in computer-controlled systems.

..... is an input device which allows you to choose options from a menu.

..... is used to produce a slide show.

[5]

- 4 Tick **one** box in each row to show whether the check is a verification check or a validation check.

Task	Validation (✓)	Verification (✓)
Typing in data twice and comparing the two versions		
Using a check digit		
Using a range check		
Visually checking that data has been entered correctly		

[4]

- 5 Tick **one** box in each row to show whether the statement is true or false.

Statement	True (✓)	False (✓)
