Unit 5

Employability

FRIDAY 11 MAY, MORNING

Insert: Employability

For use with Questions 4 and 5.

SOURCE A

Migration and New Technologies

People from Northern Ireland choose to leave the country for a variety of reasons. Some economic reasons may include the prospect of better career opportunities or a change of job.

On the other hand many immigrants come to live and work in Northern Ireland. This means that employers will have a wider choice of applicants for jobs. These migrant workers can share their skills and knowledge with local people, as well as bringing cultural diversity to Northern Ireland.

Over the past few years many businesses have invested in new technologies and the use of the Internet has also proved to be very worthwhile with individuals.
