

RECOGNISING ACHIEVEMENT

NOTICE TO CENTRES

FAO: Head Teacher (GCSE Manufacturing)

Date: February 2010

Subject: GCSE Manufacturing Specifications Document Pages 28, 29 and 34

IMPORTANT

**Please pass a copy of this Notice to the Heads of Department responsible for:
GCSE MANUFACTURING J505 – J510**

CORRECTION TO CONTROLLED ASSESSMENT SPECIFICATION DOCUMENT

To clarify the recommended time allocations for part A and B in Units B231 and B233 the wording on pages 28, 29 and 34 has been amended.

Original wording Page 28 and 29 is:

This unit is internally assessed and externally moderated.

The amended wording is:

The time limit available to complete each assessment task is 20 hours

For guidance on the suggested time allocation for controlled assessment see section 5.3.2

Original wording Page 34 is:

(c) **Time control:** The time limit available to candidates to complete each assessment task is 40 hours as specified within the unit. Tasks will be set within a broader learning programme that will allow the acquisition of subject specific knowledge and the development of appropriate practical skills.

The amended wording is:

(c) **Time control:** The time limit available to complete each assessment task is 20 hours as specified within the controlled assessment units B231 and B233. It is suggested that 6 hours be spent on part A and 14 on part B. Tasks will be set within a broader learning programme, which will allow the acquisition of subject specific knowledge and the development of appropriate practical skills.

Please amend or destroy existing copies of the specification.

The updated version of the specification is obtainable from <http://www.ocr.org.uk/qualifications/type/gcse>
