Examiner's Initials			

Time allowed for Section A: 40 minutes

Instructions

- Use blue or black ink or ball-point pen. Draw diagrams in pencil.
- Fill in the boxes at the top of this page.
- Answer **all** questions in the spaces provided.
- Do all rough work in this booklet.
- This paper is divided into **two** sections: Section A and Section B.
- After the 40 minutes allowed for Section A, you must put your calculator on the floor under your seat. You will then be given Section B.
- When you have answered Section B you may work again on Section A but you may **not** use your calculator. It must remain on the floor under your seat.
- At the end of the examination tag Section A and Section B together with Section A on top.

Information

- The maximum mark for Section A is 32.
- Mark allocations are shown in brackets.
- Additional answer paper will be issued on request and must be tagged securely to this answer booklet.
- You are expected to use a calculator where appropriate.

Advice

- In all calculations, show clearly how you work out your answer.

Answer **all** questions in the spaces provided.

- 1 (a) (i) Write six million in figures.

.....

Answer (1 mark)

- (ii) Write three thousand two hundred and four in figures.

.....

Answer (1 mark)

- (b) Here is a list of numbers.

10 11 27 37 45 53 71

- (i) Write down two numbers from the list which add up to 80.

.....

Answer (1 mark)

- (ii) Write down two numbers from the list which have a difference of 60.

.....

Answer (1 mark)

- (iii) What is the largest number you can make when you multiply together two of the numbers on the list?

.....

.....

Answer (2 marks)

2 Natasha buys a box of chocolates which costs £8.70
She pays with a £10 note.

(a) How much change does she receive?

.....

Answer £ (1 mark)

(b) This change is given in the smallest number of coins.

How is the change given?

.....

.....

Answer (1 mark)

3 (a) In the number 4926, what does the digit 2 represent?

.....

Answer (1 mark)

(b) The number 4926 is multiplied by 10.

In the new number, what does the digit 9 represent?

.....

.....

Answer (1 mark)
