

EDEXCEL 2003 DISPATCH 2	CANDIDATE SHEET	SYLLABUS 1387/1388
MATHEMATICS GCSE	USED CAR PRICES	F, I & H

The database contains information about some used cars. Many different makes of car are included.

Use the information to investigate what influences the price of a second hand car.

Credit will be awarded for

1. Specifying clearly what you plan to do and why you are approaching the investigation in this way.
2. Collating the data you need and representing it in a way which helps to develop your investigation.
3. Interpreting your results and drawing conclusions from them.
