# Applications of Mathematics

## Unit 1: Applications 1

*For Approved Pilot Centres ONLY*

**Foundation Tier**

Thursday 25 May 2017 – Morning

**Time: 1 hour 45 minutes**

Paper Reference

**5AM1F/01**

**You must have:** Ruler graduated in centimetres and millimetres, protractor, pair of compasses, pen, HB pencil, eraser, calculator. Tracing paper may be used.

Total Marks

### Instructions

- Use **black** ink or ball-point pen.
- **Fill in the boxes** at the top of this page with your name, centre number and candidate number.
- Answer **all** questions.
- Answer the questions in the spaces provided – *there may be more space than you need.*
- **Calculators may be used.**
- If your calculator does not have a  $\pi$  button, take the value of  $\pi$  to be 3.142 unless the question instructs otherwise.

### Information

- The total mark for this paper is 100
- The marks for **each** question are shown in brackets – *use this as a guide as to how much time to spend on each question.*
- Questions labelled with an **asterisk** (\*) are ones where the quality of your written communication will be assessed.

### Advice

- Read each question carefully before you start to answer it.
- Keep an eye on the time.
- Try to answer every question.
- Check your answers if you have time at the end.

Answer ALL questions.

Write your answers in the spaces provided.

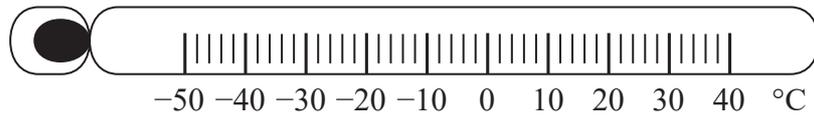

You must write down all the stages in your working.

1 (a) What temperature is shown on this thermometer?

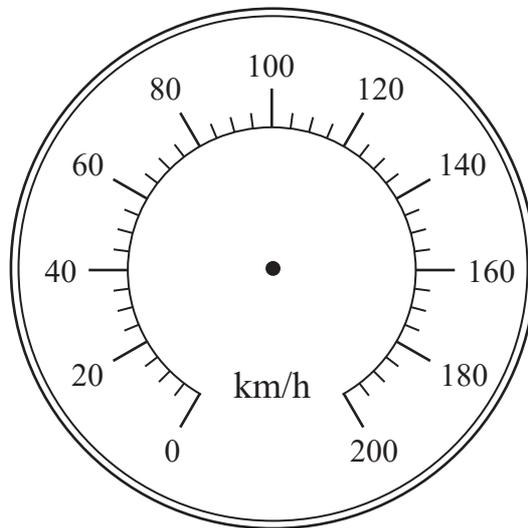

..... °C  
(1)

(b) On the thermometer below, draw an arrow (↓) to show a temperature of 18 °C.

(1)

This is a picture of a speedometer.

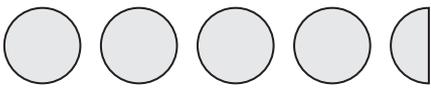

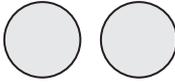

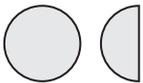

(c) Draw an arrow to show a speed of 65 km/h.

(1)

(Total for Question 1 is 3 marks)

- 2 The pictogram shows the number of tins of dog food sold in a shop on Monday, on Tuesday and on Wednesday last week.

Monday	
Tuesday	
Wednesday	
Thursday	
Friday	

**Key:**  represents 10 tins

On Thursday, 50 tins of dog food were sold in the shop.  
On Friday, 35 tins of dog food were sold in the shop.

- (a) Use this information to complete the pictogram.

(2)

More tins of dog food were sold on Monday than on Tuesday.

- (b) How many more tins?

.....
