

OXFORD CAMBRIDGE AND RSA EXAMINATIONS General Certificate of Secondary Education MATHEMATICS C (Graduated Assessment) 1966/2331B MODULE M1 - SECTION B **23 JANUARY 2006** Monday Morning 30 minutes Candidates answer on the question paper. Additional materials: Geometrical instruments Tracing paper (optional) Electronic calculator Candidate Name Centre Candidate Number Number

TIME 30 minutes

INSTRUCTIONS TO CANDIDATES

- Write your name, Centre number and candidate number in the boxes above.
- Answer **all** the questions.
- Write your answers on the dotted lines unless the question says otherwise.
- Use blue or black ink. Pencil may be used for graphs and diagrams only.
- Read each question carefully and make sure you know what you have to do before starting your answer.
- There is a space after most questions. Use it to do your working. In many questions marks will be given for a correct method even if the answer is incorrect.
- Do not write in the bar code. Do not write in the grey area between the pages.
- DO NOT WRITE IN THE AREA OUTSIDE THE BOX BORDERING EACH PAGE. ANY WRITING IN THIS AREA WILL NOT BE MARKED.

INFORMATION FOR CANDIDATES

- You are expected to use a calculator in Section B of this paper.
- The number of marks is given in brackets [] at the end of each question or part question.
- The total number of marks for this Section is 25.
- Section B starts with question 8.

FOR EXAMINER'S USE

Section B

This question paper consists of 8 printed pages.

Formula Sheet

а

Area of trapezium = $\frac{1}{2}(a + b)h$
