(b) Move in to the left very close to the vehicle you have overtaken.	[1]	3
48 The candidate must refer to any three from: Keep in lane; watch for pedestrians; watch for traffic signals; watch for (parked) cars and buses; respect bus lanes; watch for buses/vehicles pulling out; obey speed limits; watch for cyclists etc. [2] for each valid point made, up to maximum of [6]	[6]	6
49 Vulnerable users, mobility drivers, handicapped people, blind people/guide dogs, disabled/crutches, wheelchair users, elderly people, young children, pedestrians with prams. Slow down, anticipate, more consideration, allow more time to cross etc.	[12]	12

Level 1 ([0]–[4])

The candidate may focus only on one or two of the required references and give limited or irrelevant detail. Specialist vocabulary will be limited or inappropriately used. The answer may lack clarity and/or cohesion and may also contain significant grammatical, punctuation or spelling errors.

Section B

Level 2 ([5]–[8])

The candidate addresses at least two of the required references in some relevant detail. Specialist vocabulary is correctly used. The style of writing is appropriate and the meaning is clear although there may be some errors in spelling, punctuation or grammar.

Level 3 ([9]–[12])

The candidate addresses all of the required references in line with the detail set out above. Specialist vocabulary is used correctly. The answer is well structured and relevant material is presented with a high degree of clarity and coherence. Spelling, punctuation and grammar will generally be correct.

[0] a zero mark will awarded if the response is not worthy of credit.
