Here are the words:

- 1 No man, no madness, though their sad power may prevail,
- 2 can possess, conquer my country's heart, they rise to fail.
- 3 She is eternal, long before nations' lines were drawn,
- 4 when no flags flew, when no armies stood, my land was born.

5 And you ask me why I love her through wars, death and despair.

6 She is the constant we who don't care,

7 And you wonder will I leave her, but how?

8 I cross over borders but I'm still there now.

9 How can I leave her? Where would I start?

10 Let man's petty nations tear themselves apart.

11 My land's only borders lie around my heart.

Begin your answer for question 7 here:
