TEACHER/EXAMINER BOOKLET

7 MARCH – 15 MAY 2007

**To be opened four working days before the
first day of Speaking tests at the Centre.**

INSTRUCTIONS TO TEACHERS/EXAMINERS

- Four working days before the first day of Speaking tests at the Centre, the Examinations Officer should make available the confidential Teacher/examiner Booklet to the Head of Languages or appropriate specialist teacher.
- Teachers/examiners must ensure sufficient time to familiarise themselves with the materials and procedures. Materials must not be removed from the Centre.
- Great care should be taken that the confidential information given to teacher/examiners in this booklet does not reach any candidates directly or indirectly.

This document consists of **39** printed pages and **1** blank page.

RANDOM ORDER SHEET

Candidates should be examined in accordance with the random order sheet below.

The booklet is changed after every third candidate. If a break in examining occurs (e.g. overnight, lunch etc) in the sequence of three, start again after the break at the beginning of the next series of three in order to maintain security.

Candidate order:	Booklet Number
1, 2, 3	1
4, 5, 6	2
7, 8, 9	3
10, 11, 12	4
13, 14, 15	5
16, 17, 18	6
19, 20, 21	1
22, 23, 24	5
25, 26, 27	3
28, 29, 30	4
31, 32, 33	6
34, 35, 36	2

If there are more candidates than this table allows for, please begin again with number 1.
You may photocopy or detach this sheet so that you have it more conveniently in front of you.

PLEASE READ THE FOLLOWING INFORMATION IN CONJUNCTION WITH THE SPECIFICATION FOR DUTCH, PERSIAN, PORTUGUESE AND TURKISH AND ANY COMMENTS IN THE EXAMINER'S CENTRE REPORT FOR LAST YEAR'S SPEAKING TESTS.

Please note that you must examine your candidates in accordance with the Random Order sheet on the inside front cover opposite.

Security of Test Material

The test material is confidential until the end of the period specified on the OCR timetable. It must be securely locked away when not being used for teacher preparation or testing. At the end of each session all items must be accounted for.

Quiet conditions

These are essential. The examination room should be free from any noise and disturbance from outside the building (e.g. lawn-mowers). It should not be close to corridors used by large numbers of students between lessons, but if movement within the building is unavoidable, steps should be taken to keep that noise to a minimum. Notices must be displayed to prevent interruptions from people entering the room unaware that an examination is in progress.

Separate preparation room

This is essential. It should be near the examination room, and must not be part of a corridor. Other students should not have access to the area. The room should be equipped with a table where the candidate can prepare the role-play tasks.

The candidate is not allowed to make any kind of written notes during the preparation time.

There should be no contact between candidates preparing and those that have finished the test.

Invigilation

OCR recommends that an invigilator supervise the candidates while they are preparing for the test.

Dictionaries

No access to dictionaries is allowed during the preparation time or during the examination.

Supporting material

Candidates must not take any kind of written notes or illustrations into the examination and must not make any notes during the preparation time.

The Conduct of the Speaking Test

The test will last 12-15 minutes.

The first candidate at each session should be given a maximum of 15 minutes to prepare. Each subsequent candidate should be given the same amount of time to prepare while the previous candidate is being examined.

Recording

Centres must record all candidates and send all recordings to the external Examiner.

Recording should start on side A and continue on side B. At the beginning of each side teacher/examiners should identify the name of the teacher and Centre number. The name of each candidate should be identified by the **teacher/examiner** at the start of each test – this should **not** be left to the candidates themselves. After the last recording on each side teacher/examiners should say 'no more recordings on this side'.

Both the candidate and the teacher/examiner should be clearly audible. Teachers' voices tend to be louder than those of most candidates. The microphone should therefore be placed facing the candidate, approximately 60cm from his/her face. Small, portable cassette recorders with integral microphones should be avoided, unless an external microphone can be used.

Please note the pause button should not be used during a test.

Teachers are asked to check that each test has been recorded properly by reviewing the last few seconds of the test.

Before submitting cassettes to the external Examiner, teacher/examiners are asked to ensure that cassettes are re-wound to the beginning of side A and the cassette labels provided are completed. Cassettes should also be clearly identified.

Completion of Mark Sheets

The teacher must complete an individual mark sheet for **each** candidate with:

- the candidate and Centre number and name
- a tick to show the language being examined
- name of teacher who conducted the test
- date of test
- number of the booklet used
- titles of topics for General Conversation

When the tests are complete, you must send the following to the external Examiner:

- all Attendance Registers for Component 02
- all individual mark-sheets
- the clearly labelled recordings of all candidates' tests

NB Please ensure that all cassettes are enclosed when sending them to the external Examiner and that all candidates have been recorded.

The Examinations Officer at your Centre will receive the name and address of the external Examiner. If you have carried out the tests before this arrives, please keep the cassettes secure in the meantime.

All materials must be received by the external Examiner no later than 15th May.

It is essential that cassettes be packed securely to ensure safe delivery.

Absent Candidates

If any candidates are absent on the day(s) set aside by the Centre for the Speaking tests, they may be tested at another time **within the specified period** and the following items must be despatched immediately with a covering letter to the external Examiner:

- the candidate's individual mark sheet, completed according to the instructions above
- the recording of the test.

If a candidate remains ill beyond the specified period, they must be tested later and the recording of the test must be sent with the documents listed above to OCR along with a request for special consideration.

The Elements of the Test (15 mins approx)

It is essential that candidates do all parts of the test as set out below. Candidates cannot be compensated for any part which is omitted.

Section 1 Role Play

Section 2 Role Play

Section 3 Narrative Role Play (3 mins)

General Conversation on 3 Topics (6 to 7 mins)

On the page after each of the Narrative Role Plays printed later in this booklet, there are four topics listed. The teacher must select 3 topics which must not be notified to candidates in advance. Please also refer to the suggested questions on pages 34 to 38.

On the following pages are the teacher’s versions of the six different role play booklets. These consist of:

- the candidate’s version of the Section 1 and Section 2 role plays
- the teacher’s version of the Section 1 and Section 2 role plays
- the Section 3 narrative role play in the same form as given to the candidate
- the topics for the general conversation (and suggested questions on pages 34–38)

For Sections 1 and 2 there are suitable introductory remarks and responses for use by the teacher. These are to be regarded as mandatory in substance but may be rephrased as long as the teacher does not give a different meaning or unfair advantage by, for example, providing an item of vocabulary that the candidate needs.

BOOKLET 6

General Conversation Topics (Choose **three** of the following.)

Candidates should be given the opportunity to use past, present and future time references in at least one topic.

- your local area
- holidays
- home life
- careers, work, work experience

INTRODUCTION TO THE TOPIC-BASED QUESTIONS

A selection of questions now follows. These are for use in the General Conversation section of the Speaking Test.

Each bank of questions contains ideas for topic-based conversations. These questions are not in any mandatory sequence. They may be re-phrased or varied as appropriate to each candidate. These lists do not preclude other appropriate questions, which the teacher/examiner may choose to introduce on a particular topic.

These are suggestions of areas to be explored in the course of a natural conversation between teacher/examiner and candidate. **On no account should any conversation be a mere recitation of these lists of questions.**

These banks of questions have been drawn up to serve as a reminder that it is advisable to offer candidates opportunities to use a variety of opinions, tenses and justifications in their responses, because higher marks can only be awarded for the inclusion of such features.

The suggestions start with very “open” questions, which should encourage candidates to expand on their responses. However, on the next line there are more specific questions (*in italics*), which may be more suitable for weaker candidates, or as lead-in questions to the more “open” questions for less confident candidates. For instance, a topic could be introduced with two or three “closed” questions, which require a short response, leading to more “open” questioning which allows the candidate to show initiative and develop the subject matter.
