

PHYSICAL EDUCATION: GAMES

(1971)

+ SHORT COURSE

(1071)

New GCSEs for teaching from September 2001

KEY FEATURES OF THE NEW SPECIFICATION

- Emphasis on Games (Invasion; Net/Wall; Striking/Fielding/Target)
- Emphasises effective and safe performance in Games
- Co-teachable with PE
- Short course in Games also available
- Coursework 60% of assessment
- Examples of coursework assessment
- One tier only
- Cluster moderation encourages mutual support amongst centres

WHAT CHANGES ARE THERE FROM THE OLD SPECIFICATION?

- Detailed specification aims relate more closely to assessment objectives
- Assessment objectives tracked through the assessment process
- Specification content and questions are more directly related to participation and performance
- Duration of question papers has changed:
 - Physical Education and Physical Education: Games = 1 hour 45 minutes
 - Physical Education: Games (short course) = 1 hour
- Effective performance is now marked out of 25 for each activity

SUPPORT OFFERED BY OCR

- Video showing practical activities
- Full programme of INSET training
- Specimen question papers and mark schemes
- Coursework guidance materials
- Exemplar materials
- Report on the examination, compiled by senior examining personnel after each examination session
- Individual feedback to each Centre on the moderation of internally assessed work
