All of the available Practical Activities are listed in the Coursework Guide. Diving, Tae Kwon Do and any other activities which are not listed in the coursework guide are not available. Due to the diversity of practical activities there is a need to retain a finite list of options in order to maintain the rigour of the assessment process. However, centres should refer to The Meeting Local Needs criteria outlined in the Coursework Guide and the Specification (page 6) if they wish to propose an additional activity. (Please note that the activity **MUST** be delivered within the curriculum in the centre and available to all of their GCSE candidates in order to be considered).
