Overleaf please give information useful to the Moderator including notes of all guidance given and markscheme used if different from that in the specification.

The final total mark must be transferred to the computer-printed marksheets (MS1) to be sent to you in April.

Write here notes on discussion with the candidate, guidance given, and markscheme used, if different from that in the specification. If work in other media (tapes, models, etc.) is included in the assessment, *details must be given here*.

Completion of this form

1. Attention is drawn to the following documents:
 - (a) The specification and, in particular, the relevant sections relating to the Coursework.
 - (b) The General Coursework Regulations.
2. Complete the form as follows:
 - (a) Mark the Coursework according to the guidance and criteria given in the specification.
 - (b) Where appropriate, carry out internal moderation to ensure that the total mark awarded to each candidate reflects a single valid and reliable order of merit. **Failure to do so will prevent external moderation from proceeding.** (See Handbook for Centres, Part 3, Section E).
 - (c) Enter the marks and total marks in the appropriate spaces. Candidates who present no work must be marked A (absent), **0 (zero) should only be awarded to candidates who present work which is worthy of no marks.**
 - (d) Ensure that the addition of marks is independently checked.
 - (e) Retain all forms for external moderation.
3. Documents relating to external moderation procedures will be sent in April.
