### GCSE Additional Science (2103)

## Internal Assessment Activities - Indicative Grade Boundaries (for guidance in the academic year 2008-2009)

(26/01/2009)

Edexcel is pleased to suggest indicative grade boundary ranges for GCSE Science and GCSE Additional Science internal assessment activities for grades A, C and F. They are listed below.

	Grade F	Grade C	Grade A
Units 5002, 5003, 5004 5012, 5013, 5014	(8-10)	(20-22)	(27-29)

Please note that these indicative grade boundary ranges for the internal assessment activities are only valid for this academic year 2008-2009. They are based on a limited sample and are provided to help teachers monitor the progress of their candidates.

**The final grade boundaries will be published in August 2009 and may differ from these indicative grade boundary ranges.**
