IGCSE Economics (0455) - new specimen question papers

From 2009, the IGCSE Economics syllabus is changing. Paper 0455/04 (Structured Questions) will be replaced with 0455/02 (Structured Questions) and 0455/06 (Alternative to Coursework) will be replaced with 0455/03 (Analysis and Critical Evaluation).

To reflect this change, new specimen question papers are available for 0455/02 and 0455/03. In addition, 0455/03 has been designed as a question paper answer booklet. These specimen question papers are based on the June 2007 question papers.

As there are just slight amendments to the content of the new syllabus, please note that it is still possible to use the existing specimen question papers on the website, bearing in mind the new component numbers as described above.
