## **ENTERPRISE**

## **International General Certificate of Secondary Education**

Grade thresholds taken for Syllabus 0454 (Enterprise) in the May/June 2011 examination.

	maximum mark available	minimum mark required for grade:					
		Α	С	E	F		
Component 1	100	68	44	26	23		

The threshold (minimum mark) for B is set halfway between those for Grades A and C. The threshold (minimum mark) for D is set halfway between those for Grades C and E. The threshold (minimum mark) for G is set as many marks below the F threshold as the E threshold is above it. Grade A\* does not exist at the level of an individual component.

The thresholds for the **syllabus** are determined first by adding together the thresholds for the components taken by the candidate. A reduction may be made at the higher grades depending on the correlation of the papers. If the maximum raw marks for the components are not in the weighting/relationship specified in the syllabus, a weighting is applied to arrive at the overall thresholds. The A\* threshold is calculated using the difference between A and B as a starting point.

The maximum total mark for this syllabus is 200.

The overall thresholds for the different grades were set as follows.

Option	Combination of components	<b>A</b> *	A	В	C	D	ш	F	G
А	01, 02	157	135	113	91	72	53	41	29

Grade Thresholds are published for all GCE A/AS and IGCSE subjects where a corresponding mark scheme is available.
